

1/9

A book button on the listing is not a person who answers

A tap can still miss a person.

2/9

A tap can land in a form nobody checks

A book button is not a person.

3/9

Keep a number a person answers

Put it on the listing and on the page.

4/9

Test the button yourself

Do that before you publish it.

5/9

If it does not confirm a real time, take it off

A dead button is not a booking.

6/9

Do not send the tap to a voicemail greeting

A person has to answer.

7/9

Do not add a second site

Fix the listing and the page you already have.
