A Saturday text-back is not a held time

A text-back is not a held time.

A visitor can get your Saturday text and still not know if that afternoon is open

They will not guess the next opening.

3/9

Put the next real opening in the Saturday text-back

One line. In the same message.

Name who confirms the time

A text is not a person.

If the text is not a booking, say so in that same message

Do not imply the afternoon is held.

Test the page yourself before you leave Saturday

Read what they read.

Do not add a second page to hold the visit

Fix the page you already send.
