A Sunday form receipt is not Monday's first opening

A form receipt is not an opening.

2/9

A visitor can get your Sunday form receipt and still not know when Monday first opens

They will not guess the first opening.

Put Monday's first real opening in the Sunday form receipt

One line. In the same message.

Name who reads that form

A receipt is not a person.

If the receipt is not a booking, say so in that same message

Do not imply Monday is held.

Test the form yourself before you leave Sunday

Read what they read.

Do not add a second page to hold Monday

Fix the receipt you already send.
