

1/9

A directory flag is not a missing site

A directory can say you have no website when your site is already live.

2/9

A flag is a check, not a fact

Open the listing yourself before you treat the site as missing.

3/9

Tap the phone

The number on the listing should be the number that rings.

4/9

Confirm the hours

Saturday hours should match the door.

5/9

Confirm the service area

Name only the towns where you actually work.

6/9

Submit the form yourself

If you cannot finish it on a phone, a customer cannot either.

7/9

Do not add a second site

Fix the listing and the page you already have.
