

1/9

A finished-job photo is not an open Wednesday slot

A pretty job is not a date.

2/9

**A visitor can admire the work
and still not know if you can
come**

The photo does not book the visit.

3/9

Put the next real opening above the photos

Name the day a person can come.

4/9

If you cannot name a day, do not imply today is open

An implied today is not a booking.

5/9

Test the path yourself

Do that before you publish the page.

6/9

Do not send the request to a voicemail greeting

A person has to confirm the day.

7/9

Do not add a second site

Fix the page you already have.
