A profile can look verified to you

Your own account is not the public view.

2/9

Logged in is not public

What you see while signed in is not what a stranger sees.

3/9

Search the business name privately

Use a private window, or a phone that is not signed into your account.

4/9

If only you can see it

It is not public yet. Do not treat your screen as proof.

5/9

Do not keep changing the category

If an appeal is open, wait.

6/9

Make the name, the site, and the door match

They should say the same thing.

7/9

Then wait

Check again from a logged-out phone before you call it public.
