

An open Tuesday line is not a cleared morning

An open line is not a cleared form.

A visitor can see your page is open on Tuesday and still find yesterday's form with no reply

They will not guess who answers.

3/9

Name who clears yesterday's form before you call the line open

One name. On the form they already have.

Put today's reply window on that same form

An open line is not a clock time.

5/9

If a form is still waiting, say so on the page they already have

Do not hide yesterday's form.

Test the form yourself in a private window

Read what they read.

Do not add a second page to hold Tuesday

Fix the form you already show.
