

1/9

A Sunday call button is not an open line

A closed line is not a booking.

2/9

A visitor can tap call and reach a closed line

They will not guess when you answer.

3/9

**If the line is closed Sunday,
say so next to the button**

One line. Next to the button.

4/9

Name Monday's first answer time

A gallery is not a time.

5/9

**If Monday is the first answer,
say Monday**

Do not imply the line is open now.

6/9

Test the button yourself before Monday

Tap it. Hear what they hear.

7/9

Do not add a second page to hold the answer time

Fix the page you already have.
